INVITATION

It gives us immense pleasure to inform you that Department of Economics, Punjabi University, Patiala in collaboration with Indian Political Economy Association is going to organize 23rd Annual Conference of IPEA on the theme " **Political Economy of Nexus between State, Big Corporations and Development in India**", November, 8-9 2019. The aim of the conference is to provide a platform to academicians, researchers, scholars and policy makers to share their rich experiences about the theme. You are invited to participate and contribute in this conference.

Punjabi University, Patiala

Punjabi University, Patiala, Punjab, India, one of the premier institutions of higher education in the north of India, was established on the 30th April, 1962 under the Punjabi University Act 1961. This is the second University in the world to be named after a language, the first being Hebrew University of Israel. Initially, the University started with the objective of developing and promoting the language, literature and culture of the Punjabi people. Over the time, it has evolved into a multi-faceted multi-faculty educational institution. Presently, it has fifty-five teaching and research departments covering disciplines in Humanities, Arts and Sciences as diverse as Fine Arts, Biotechnology, Forensic Science and Space Sciences. The university provides international standard facilities for students and researchers in various disciplines. The University has a modern well planned campus situated on Patiala-Chandigarh road at a short distance from the main Patiala city. Sprawling across 316 acres, the campus is away from the din and noise of the city. It presents a splendid sight of magnificent buildings which include the famous Guru Gobind Singh Bhawan.

Indian Political Economy Association

The Indian Political Economy Association, a society registered under the Societies Registration Act, came into formal existence in October, 1989. A fully democratic, participative and non-hierarchical academic culture is a basic pre-requisite for development of meaningful social science committed to the processes of social transformation. The Indian Political Economy Association seeks to work in these directions and with an approach which is in keeping with the perspective outlined above. The objective of the society is to provide a forum of mutual interaction and support to those engaged in theoretical and empirical studies with a view to evolve scientific and socially-responsive political economy with reference to both India and the world. The society will in particular endeavor to encourage inter-disciplinary studies and will not restrict itself to the conventional boundaries of individual disciplines. It is
